Response to Questions
for
Request for Proposal for
DATACENTER COLOCATION
For
Pikes Peak Library District
RFP #520-21-06

QUESTIONS

1. Do the proposals have to be mailed in or can they be hand delivered?
 - a. They can be hand delivered to 1175 Chapels Hills Dr, Colorado Springs, CO.
2. I understand that the TABOR agreement has to be in place. That being said are you open to a longer contract term? We offer higher discounts with longer terms and this may be helpful to PPLD. Would a 36, 48 or 60 month contract be considered?
 - a. The intent is to contract the selected services for a period of three (3) years with the option for two (2) additional one (1) year extensions thereafter.
3. Section 4.2 asks for a list of current and recent clients over the last five years. We value our clients security and confidentiality, and in the normal course of business do not disclose any client information to 3rd parties. Are you seeking a comprehensive client list, new clients over the past 5 years, or references? Is PPLD willing to sign a non-disclosure prior to receiving such information as part of our RFP response?" Clarification or redaction of the request would be greatly appreciated.
 - a. We are seeking references and willing to sign a non-disclosure agreement. We are looking to verify your skills and ability to complete the RFP.
 - b. Proposals are public information. If a vendor needs to submit proprietary information to support their proposal, the vendor will label as "CONFIDENTIAL" and package separately any proprietary information.
