

Addenda to Mobile Library RFP 430-23-01

Pikes Peak Library District, Colorado Springs, CO

Unfortunately, the initial proposal exceeded the budgeted amount and therefore we are revising the specifications to lower the cost. Please remove all non-specified items from the initial proposal submission and omit/update items below. Please submit an updated Proposal. Follow up questions are due Monday, April 24 and completed proposals are due Thursday, April 27th. Depending on the final cost of the proposal some items may be added back.
