

Downloadable titles from Overdrive and OneClickdigital are integrated in the PPLD Catalog. This means you can easily search eBooks and eAudios from these providers at the same time you search the Catalog. Digital content from other vendors is accessible through Cybershelf.

In addition to making Overdrive and OneClickdigital titles easier to find, this integration will make it easier to download and place holds on them. In the future, checkouts of these items will be visible in "My Account" on the Catalog.

Using the default "Everything" search will bring up traditional materials and e-materials. To search only the e-materials, select the "Digital Catalog" option.

The screenshot shows the top navigation bar with a home icon, a dropdown menu set to "Digital Catalog", and a search bar containing "john grisham". Below the search bar, there are options for "All Fields" and "Search". The main content area displays "81 Results Found" and a list of search results. The first result is "13. The Client" by John Grisham. The result card includes a book cover, the title "The Client", the author "JOHN GRISHAM", and the format "Electronic Format: ADOBE EPUB, HTML, KINDLE". It also shows the publication date "2010" and a description: "In a weedy lot on the outskirts of Memphis, two boys watch a shiny Lincoln". To the right of the result card are three buttons: "Text This To Me", "Download", and "Preview". On the left side, there is a "Limit Search Results" section with a list of authors and their result counts: John Grisham (65), Frank Muller (6), Michael Beck (6), John Gresham (4), and Tom Clancy (4). There are also "Include" and "Exclude" buttons for each author.

Records for eBooks and eAudios will have a Download button or a Place Hold button, depending whether copies are available.

This block shows two detailed search results. The first result is "18. The Appeal" by John Grisham. It includes a book cover, the title "The Appeal", the author "JOHN GRISHAM", and the format "Electronic Format: WINDOWS MEDIA AUDIO, MP3". The publication date is "2008". The description states: "John Grisham's first legal thriller since THE BROKER... In a crowded courtroom in Mississippi, a jury returns a shocking verdict against a chemical company accused of dumping toxic waste into a small town's water supply, causing the worst 'cancer cluster' in history. The company appeals to the Mississippi Supreme Court, whose nine justices will one day either approve the verdict or reverse it. Who are the nine? How will they vote? Can one be replaced before the case is ultimately decided? The chemical company is owned by a Wall Street predator named Carl Trudeau, and Mr. Trudeau is convinced the Court is not friendly enough. With judicial elections looming, he decides to try to purchase himself a seat on the Court. The cost is a few million dollars, a drop in the bucket for a billionaire like Mr. Trudeau. Through an intricate web of conspiracy and deceit, his political operatives recruit a young, unsuspecting candidate. They finance him, manipulate him, market him, and mold him into a potential Supreme Court justice. Their Supreme Court justice. THE APPEAL is a powerful, timely, and shocking story of political and legal intrigue, a story that will leave readers unable to think about our electoral process or judicial system in quite the same way ever again." The excerpt is "The Appeal John Grisham" and it is available in 1 copy. To the right of the result card are three buttons: "Text This To Me", "Download", and "Preview". The second result is "19. The Rainmaker" by John Grisham. It includes a book cover, the title "The Rainmaker", the author "JOHN GRISHAM", and the format "Electronic Format: WINDOWS MEDIA AUDIO, MP3". The publication date is "2008". The description states: "In his final semester of law school, Rudy Baylor is required to provide free legal advice to a group of senior citizens, and it is here that he meets his first 'clients,' Dot and Buddy Black. Their son, Donny Ray, is dying of leukemia, and their insurance company has flatly refused to pay for his medical treatments. While Rudy is at first skeptical, he soon realizes that the Blacks really have been shockingly mistreated by the huge company, and that he may have just stumbled upon one of the largest insurance frauds anyone's ever seen - and one of the most lucrative and important cases in the history of Tennessee law. The problem is, Rudy's flat broke, has no job, hasn't even passed the bar, and is about to go head to head with one of the best defense attorneys - and powerful industries - in America." The excerpt is "The Rainmaker John Grisham" and it is available in 0 copies. To the right of the result card are three buttons: "Text This To Me", "Place Hold", and "Preview".
