

CyberShelf: Freading app for Android

All mobile devices are different.

For specific instructions, go to: pikespeak.freading.com/questions/index.

What do I need to use the PPLD Freading app for Android devices?

1. A Pikes Peak Library District resident card number (resident card numbers start with a 4) and PIN.
2. A mobile device with wireless Internet access that runs the Android OS.

Download & Transfer Instructions:

Step 1. Download required free app.

- Go to the Play Store on your device.
- Search for Freading.
- Install the free app.

Step 2. Create an Adobe ID and authorize your device (first-time use only)

- Open the Freading app.
- In the Freading app, touch the **Menu grid** (in the lower left-hand corner of the screen).
- Touch **Settings**.
- Touch **Authorize**.
- Touch **Get a free Adobe ID**. Follow the prompts to create an Adobe ID.
- Once it is created, go back to the Freading app.
- Once again, touch the **Menu** bar.
- Touch **Settings**.
- Touch **Authorize**.
- Enter in your Adobe ID and password.

Step 3. Checkout eBooks

- Open the Freading app.
- In the Freading app, touch the **Menu grid** in the lower left-hand corner of the screen.
- Touch the **Store icon**.
- Locate Pikes Peak Library District.
- **Login** and enter your library card number and PIN.
- Search or browse for an eBook and touch the cover image.
- Touch **Download EPUB** beneath the cover image of the book you wish to check out. The book will automatically begin to download.
- You should be able to read books located in **Bookshelf**.
