

CyberShelf: OneClickdigital app

What do I need to use PPLD OneClickdigital eAudiobooks on a mobile device?

1. A Pikes Peak Library District card and PIN.
2. A OneClickdigital account (available through the OneClickdigital website at ppldco.oneclickdigital.com/#register).
3. A mobile device with wireless Internet access and with iOS 5.0 (or newer) or Android 2.2/Froyo (or newer) installed.

Step 1: Create a OneClickdigital account

- Click on **CyberShelf/OneClickdigital** in the upper navbar of ppld.org
- Click Register (upper right-hand corner).
- Enter your information to set up an account. At the bottom of the form, click **Register** again.

Step 2. Download required free app and activate (first-time use only)

- Go to the Play Store or the App Store on your device.
- Search for **OneClickdigital eAudio Player** and install it.
- Open the OneClickdigital eAudio Player app.
- Select your country. (You may need to touch **Next** to continue the set up.)
- Select your state. (You may need to touch **Next** to continue the set up.)
- Begin typing **Pikes Peak Library Dist**, and select that name from the drop-down list. (You may need to touch **Next** to continue the set up.)
- Enter your user name and password and touch the arrow button to login.
TIP: Check the box marked "Remember Me" to automatically login to your account every time you open your app.

Step 3: Checkout eAudiobooks

- Open the OneClickdigital app.
- Touch **Search** (at the bottom center of the screen).
- Search or browse by Genres for an eAudiobook.
- Touch the cover of the title you want.
- Touch **Checkout**. (Successful! will appear next to Checkout when you have done this correctly.)
- Touch **My Titles** (in the upper left hand corner).
- Touch **Play** to download and begin playing simultaneously. Touch **Download Now** to download your title, or touch **Download All** to download all titles checked out to your account.
TIP: To see options to renew a title, touch the title's cover and swipe from left to right. To see options to return a title early, touch the title's cover and swipe from right to left.
- After the File Download completes, touch the **Play** or ► symbol next to your title to play it.

TIP: If your checked out title does not appear immediately in your app, try refreshing your screen.
