

# CyberShelf: OverDrive downloadable eVideos

## *What do I need to use PPLD OverDrive downloadable eVideos?*

1. A Pikes Peak Library District card and PIN.
2. A computer with an Internet connection and OverDrive Media Console installed.

## *Download Software and Activate:*

### **Step 1. Download required free software**

- Click on **CyberShelf/OverDrive** in the upper navbar of ppld.org
- Click on **Help**.
- Click on **Applications**. Then click on **OverDrive**. This opens OverDrive's website. Scroll to the bottom of the page.
- Click on the type of operating system you use:
  - **Download for Windows Desktop** (for Windows 7 or earlier),
  - **Download for Windows 8**, or
  - **Available for Mac**.
- Save the file and click in the appropriate section of your browser to open the download. (Every Internet browser is different.)
- Follow the prompts to install the software.

### **Step 2: Checkout eVideos**

- Click on **CyberShelf/OverDrive** in the upper navbar of ppld.org
- Click on the search icon 
- Under **Advanced**, under **Formats** select **Streaming Videos**.
- Add any other search terms you would like and click **Search**.
- Click on the cover of the title you want and click **Borrow**.
- Click on the book icon  you will be asked to enter your library card and pin number. Check the **REMEMBER MY CARD NUMBER ON THIS DEVICE** if you would like to browser to remember your info.
- Click on the OverDrive Video format and click **Add to app**.
- Open the download.
- Follow the prompts to download it. (*NOTE: The download can take up to 10 minutes.*)
- Click on the video and select "Play" in the OverDrive Media Console.
