

CyberShelf: OverDrive Streaming eVideos

What do I need to use PPLD OverDrive Streaming eVideos?

1. A Pikes Peak Library District card and PIN.
2. A computer or tablet with an Internet connection.

Instructions:

- Click on **CyberShelf/OverDrive** in the upper navbar of ppld.org
- Click **Account** and enter in your library card number and PIN.
- Click on **Advanced Search**.
- Under All Formats, select **Streaming Video**.
- Add any other search terms you would like and click **Search**.

TIP: When searching, a dark gray filmstrip indicate that the title is available. Light gray indicates that all available copies of the title are checked out. (In order to obtain this title, you will have to place a hold, just as you would with physical titles.)

- Click on the cover of the title you want and click **Borrow**.
- Click on **Download** and select **Streaming Video**. Click on **Confirm & Play**.
- The video will open in a new tab or window and begin playing.
- At the bottom of the window, you may use the pause/play button, scroll bar, double arrow button (to toggle full-screen mode on and off), and volume button to control your experience.
