SPECIAL COLLECTIONS PHOTO ARCHIVES COLLECTIONS USE AGREEMENT

Printing, photographing or otherwise reproducing Library items or exhibits, or purchasing photographs, means that you agree to comply with the Library's conditions for use. This form will grant permission for one-time use of the items listed below, for use and number of copies specified only. Subsequent editions or uses require additional written permission. All reprint requests are subject to processing fees. Commercial use of photographs is subject to additional Commercial Use Fees.

NOTICE – WARNING CONCERNING COPYRIGHT RESTRICTION

The copyright law of the United States governs the making of photocopies or other reproductions of copyrighted material.

Photocopies or other reproductions can be furnished under certain conditions, only if they will be used solely for private study, scholarship or research. Use of the reproductions for other purposes may make the user liable for copyright infringement.

The Library reserves the right to refuse a copying order if, in its judgment, fulfillment of the order would involve violations of copyright law.

Purchase of photographs or otherwise obtaining images of or from the collections constitutes agreement to comply with these conditions:

1. It is the responsibility of the applicant to obtain permission to publish from the copyright owner. The Pikes Peak Library District assumes no responsibility for infraction of copyright laws, invasion of privacy, or any other improper or illegal use that may arise from reproduction of any image. The applicant agrees to hold PPLD and its agents harmless against any and all claims arising or resulting from the use of this image and shall indemnify PPLD and its agents for any and all costs and damages arising or resulting from any such unauthorized use.
2. The Pikes Peak Library District reserves the right to limit the number of photographic copies; to restrict the use for reproduction of rare or valuable material; to ensure that the use of reproductions is consistent with the mission of the Library; to make special quotations on material involving unusual difficulty in copying; and to charge a higher copying fee than specified for a small number of special items.
3. All reproduced photographs must be credited. See below for credit line formatting. The credit should appear on the same or facing page as the illustration or in the "Sources of Illustrations" section. Every item must be credited separately. With exhibitions, credit should be shown within the exhibit area.
4. One complimentary copy of any publication or reproduction using Special Collection materials must be sent to the library within three months of the publication date.
5. Requests for image adjustment (performed by the customer) such as cropping, overprinting, or bleeding the page edge must be made in writing and approved in advance.
6. There is a processing fee for all photograph reprints. Commercial use of images requires an additional fee.
