

- **Brainfuse**

- Students can contact live tutors for homework help
- Provides practice tests, answers to submitted questions, interactive whiteboard for use with tutor and writing lab services
- Requires library card and pin number (library card number must begin with a '4')

- **Cybershelf**

- Provides access to downloadable books, music and video.
- Videos are mostly educational, but many of them are “always available” so you do not need to put them on hold!
- Found at <http://ppld.org/cybershelf>
- Requires library card and pin number (library card number must begin with a '4')
