

Homeschool Science Lab @ East

Information 2014-2015

East Library Community Meeting Room

1-3 p.m. on the following days:

Sep. 19: Scientific Method	Jan. 16: Weather	Apr. 17: Physics (Egg Drop)
Oct. 17: Presentation Skills	Feb. 13: Science Fair	May 15: Fun Science
Nov. 21: Food and Digestion	Feb. 20: Astronomy	
Dec. 19: Special Guests	Mar. 27 (Date Change): Birds	

Planned lab activities subject to change.

In the event of severe weather conditions, an email will be sent out to notify of cancellation.

Other Dates to Know:

October 18: Colorado Springs Mini Maker Faire at Library 21c

March: Middle and High School Regional Science Fair

Our expectations:

A parent will stay with the child (regardless of child's age)

Student will follow care instructions for equipment

Equipment will stay in the lab

You can expect:

One experiment will be planned for each meeting

Each experiment can be modified for a student of any age

Volunteer and/or staff will set up any equipment/supplies needed

Volunteer and/or staff will help with experiments and equipment

You can use all equipment and supplies (see sheet) available

Equipment will be in good working order (to the best of our ability)

Your questions or concerns will be answered promptly

If you would like to help with one of our labs, please contact Tori!
