Homeschool Science @ East

2016-2017 Information

Our monthly Homeschool Science @ East program occurs the **3rd Friday** of each month (September through May), at **1 p.m.** in the **East Library Community Meeting Room**:

Sept. 16: Anatomy

Oct. 21: Geology/Earth Science

Nov. 18: Digestion

Dec. 16: Chemistry

Jan. 20: Ballistics

Feb. 17: TECH

Mar. 17: Annual Science Fair (held at Library 21c)

Apr. 21: Egg Drop Physics (egg drop prep lab)

May 19: 3rd Annual Egg Drop

(monthly topics are subject to change)

Other Dates to Know:

October 15: Colorado Springs Mini Maker Faire at Library 21c

February 25: Pikes Peak Regional Science Fair at UCCS

June 29: Homeschool Curriculum Swap

August 25: Homeschool Game Day

Our Expectation:

Homeschool Science @ East is a family program. Parents are expected to participate with their students where appropriate.

You can expect:

- To receive a Homeschool Science @ East email before each monthly program with detailed information about what is planned (if you've given us your email).

- Demonstration, instruction, and/or hands-on experience each month to appeal to multiple-aged students (we may sometimes divide the students up by age or grade).
- Your questions or concerns will be answered promptly.

Science Lab Equipment in the ERC (Educational Resource Center):

- All science lab equipment must be used in the ERC.
- The list of available equipment and supplies is comprehensive (see list)
- Equipment will be in good working order (to the best of our ability)
- We will keep adequate supplies of consumable materials on hand
- *Lab equipment use must be supervised by a parent*

Volunteer/Staff and Contact Information:

Grove Higgins (Homeschool Dad, Homeschool Science Program Lead & Volunteer Extraordinaire)

Grovehiggins@gmail.com

Jennifer Peters (Homeschool Mom & Volunteer Extraordinaire)
