How PPLD Stacks Up

Selected Pikes Peak Library District (PPLD) data was compared to nine other Colorado libraries. The data was gathered from the Colorado State Library and based on responses to the 2024 Public Library Annual Report.

Comparison libraries include:

- Pikes Peak Library District
- Arapahoe Library District
- Boulder Public Library District
- Denver Public Library
- Douglas County Libraries
- High Plains Library District (Weld County/Greeley)
- Jefferson County Public Library
- Mesa County Public Library District (Grand Junction)
- Poudre River Library District (Fort Collins)
- Pueblo City-County Library

These libraries were selected because they are larger library districts or have similar populations in the state.

PPLD was...

#2 in library service area population

#2 in attendance per program

#4 in library service area square miles

#6 in locations per library service area square mile

#7 in circulation per capita

#8 in full-time equivalent staff per capita

#10 in operating revenue per capita
