PIKES PEAK LIBRARY DISTRICT

Resolution Approving Property Disposal Guidelines, Pursuant To State Statutes

Whereas, State Statutes dictate the responsibilities for library Board of Trustees in terms of disposing library property; and

Whereas, the Board of Trustees of the Pikes Peak Library District (PPLD) should adopt a policy during January of each year that dictates how library property shall be disposed of during the year; and

Whereas, Colorado Revised Statute 24-90-109(1) states:

"The Board of Trustees shall:

Sell, assign, transfer, or convey any property of the library, whether real or personal, which may not be needed within the foreseeable future for any purpose authorized by law, upon such terms and conditions as it may approve, and lease any such property, pending sale thereof, under an agreement of lease, with or without an option to purchase the same. The Board, prior to conveyance of such property, shall make a finding that the property may not be needed within the foreseeable future for library purposes, but no such finding shall be necessary if the property is sold or conveyed to a state agency or political subdivision of the state."

Whereas, other library districts throughout Colorado have adopted a similar resolution on an annual basis to clearly dictate how property shall be disposed of during the year to comply with the State Statutes; and.

Whereas, the Library has several classes of assets the staff may identify for disposal, at such times PPLD may not need assets for library purposes in the near future, including:

- a. Library materials (books, CD's, etc.)
- b. Information Technology (IT) and Audio/Visual (A/V) equipment (PC's, printers, monitors, servers, overhead projection system, large screen displays, etc.)
- c. Furniture and equipment (including, but not limited to, chairs, tables, shelving, telephones, other office items such as lamps and filing cabinets, book cases, cash registers, etc.)
- d. District fleet vehicles
- e. Real property (land and buildings owned by the Library)

Now, therefore, the Board of Trustees of the Pikes Peak Library District resolves that the library staff will use the following guidelines for disposal of Library property during the year 2021:

- 1. Any disposal of an item/system that has a value \$10,000 or more requires specific approval by the Board of Trustees before the asset can be disposed of in any manner.
- 2. PPLD staff may dispose of discarded or weeded library materials (books/materials weeded during 2021 calendar year which are no longer needed by PPLD) in one of the following methods:
 - a. Donated to the Friends of the Pikes Peak Library District for sale to the public.
 - b. Taken to and sold at an auction house, or sold through an on-line vendor service or some other establishment that sells used books to the public. The Library receives the proceeds less a commission to the establishment for their services.

- c. The Chief Librarian and Chief Executive Officer (CL&CEO) or CL&CEO designated representative may direct donating assets to charities or other non-profit organizations.
- d. The CL&CEO or CL&CEO designated representative may direct giving assets to other political subdivisions of the State of Colorado.
- Recycled when the PPLD staff has exhausted other methods of disposal. PPLD staff
 may dispose of items that are broken, destroyed or otherwise have no value in the same
 manner.
- 3. PPLD staff may dispose of IT and A/V equipment with a value less than \$10,000 that the Chief Information and Technology Officer (CITO) has certified is no longer needed, obsolete or have no retail value in the following manner:
 - a. For IT and AV equipment with an estimated value of greater than \$1,000 (per item), PPLD staff shall hold a public sale, only if the CITO estimates proceeds from the sale exceeds the estimated cost of conducting the public sale by more than \$1,000.
 - b. IT staff may take the equipment to an auction house, or sell assets through an on-line vendor service or some other establishment selling used IT equipment. The Library receives the proceeds less a commission to the establishment for their services.
 - c. CITO shall place surplus IT and AV equipment with an estimated value less than \$1,000 (per item) on the Library's Internet web site or other similar on-line options available through the Internet (i.e. E-bay, Craigslist, etc.) for a period not less than 1 week for sale to the public and staff. CITO or IT staff shall establish a sale price based on comparable sales of similar items on internet sale sites. CITO or IT staff may group items together for sale as necessary to ensure quick removal from inventory. The CFO may place a legal notice in the local newspaper that promotes the item for sale, as deemed appropriate.
 - d. CITO may return to the supplier for credit any equipment excess to the needs of the district.
 - e. CITO with CL&CEO or CL&CEO designated representative approval may donate surplus/obsolete IT and A/V equipment to the Friends of the Pikes Peak Library District for sale to the public.
 - f. CITO may dispose of IT and A/V equipment through regulated IT and A/V disposal companies after other methods of disposal listed in previous paragraphs are exhausted. Items that are broken or otherwise have no value may be disposed of in the same manner. The CITO has the authority to transfer non-functioning IT and AV equipment to the public should the CITO determine it is beneficial to PPLD versus paying the recycling costs.
 - g. The CL&CEO or CL&CEO designated representative may direct the CITO to transfer obsolete/surplus IT and A/V assets to other state or local government entities in the State of Colorado (i.e., public schools, etc.).
 - h. CITO with CL&CEO or CL&CEO designated representative approval may transfer obsolete (items with minimal to no value) IT and A/V equipment to charities or other non-profit organizations.
 - i. The CITO will determine the cost effectiveness of selling items, recycling items or giving items away against the overall staff resources associated with executing a "retail" sale of IT and A/V equipment. If the CITO determines it is not cost effective to conduct retail

- sales then the CITO will request CL&CEO or CL&CEO designated representative approval to bypass retail sales and proceed to equipment disposal.
- j. The CITO or IT staff shall send to a computer recycling firm for disposal, according to legislation prohibiting the wholesale dumping of such equipment computer equipment, when obsolete and not subject to donation or sale. The CITO or IT staff will record the reduction of assets and accumulated depreciation in the financial records upon disposal of capital assets.
- 4. Surplus and/or obsolete furniture and equipment with a value less than \$10,000 that is no longer needed or obsolete shall be disposed of in the following manner:
 - a. For furniture and equipment with an estimated value of greater than \$1,000 (per item), PPLD staff shall hold a public sale, only if the estimate of proceeds will exceed the estimated cost of conducting the garage sale by more than \$1,000.
 - b. PPLD staff can take surplus furniture and equipment to an auction house, sold through an on-line vendor service, or some other establishment that sells surplus furniture and equipment to the public. The Library receives the proceeds less a commission to the establishment for their services.
 - c. PPLD staff shall place surplus furniture and equipment with CL&CEO or CL&CEO designated representative approval, with an estimated value less than \$1,000 (per item) on the Library's Internet web site or other similar on-line options available through the Internet (i.e. E-bay, Craigslist, etc.) for a period not less than 1 week for sale to the public and staff. PPLD staff shall establish a sale price based on comparable sales of similar items on internet sale sites. PPLD staff may group items together for sale as necessary to ensure quick removal from inventory. The CFO may place a legal notice in the local newspaper that promotes the item for sale, as deemed appropriate.
 - d. PPLD staff may donate surplus/obsolete furniture and equipment with CL&CEO or CL&CEO designated representative approval, to the Friends of the Pikes Peak Library District for sale to the public.
 - e. PPLD staff may transfer surplus/obsolete furniture and equipment, with CL&CEO or CL&CEO designated representative approval, to other government entities in the State of Colorado (i.e., public schools, etc.)
 - f. PPLD staff may transfer obsolete (items with minimal to no value) furniture and equipment, with CL&CEO or CL&CEO designated representative approval, to charities or other non-profit organizations.
 - g. Surplus furniture and equipment may be disposed of through recycling when other methods of disposal have been exhausted. Items that are broken, destroyed or otherwise have no value may be disposed of in the same manner.
- 5. Library fleet vehicles and real property (land and buildings) owned by the Library requires approval by the Board of Trustees prior to disposal in any manner.

Insurance Policies - 2021

During 2015, the District completed a formal RFP process to select an insurance consultant for all non-employee benefit-related insurance policies. The consultant selected was HUB International (HUB).

Due to the pandemic, management elected to postpone the RFP process for a insurance consultant until 2021 (for 2022 insurance policies).

HUB obtained renewal quotes for 2021 from our current carriers, as follows (including 2020 insurance policies/premiums for comparative purposes):

Premium Summary

| | Expiring | | Renewal | |
|--|---|----------|--|----------|
| Coverage | Carrier | Premium | Carrier | Premium |
| Property including Equipment Breakdown | 25 years Colorado Special Districts Property and Liability Pool | \$83,524 | 25 years Cetorado Special Districts Property and Llability Pool | \$75,089 |
| Inland Marine | | Included | | Included |
| General Liability | | \$22,252 | | \$16,502 |
| Business Automobile | | \$4,225 | | \$4,329 |
| Umbrella Liability | | \$9,777 | | \$8,795 |
| Abuse & Molestation | | Included | | Included |
| Workers Compensation & Employers Liability* | | \$39,573 | | \$40,333 |
| Public Officials Liability | | \$15,180 | | \$17,276 |
| Volunteer/Accident | THE HARTFORD | \$3,874 | PHILADELPHIA INSURANCE COMPANIES | \$2,933 |
| Cyber Liability | TRAVELERST | \$5,850 | TRAVELERST | \$7,750 |
| Crime | | \$5,721 | | \$5,550 |
| Brokerage Consulting Fee | HUB | \$17,000 | HUB | \$17,000 |
| | \$205,076 | | \$19 | 95,557 |

Please note the District elected to pay the consultant this fee directly to HUB.

The policy coverage is substantially the same between the 2020 (Expiring) and 2021 (Renewal), a savings of \$9,519. In addition, the Colorado Special Districts Pool (CSD) offers a volunteer/accident policy as

part of their total insurance package. By doing this, the total premium for 2021 decreases from \$195,557 to \$192,624, resulting in a saving of \$12,452 from 2020.

The District has not had any significant claims for the past several years, and when claims do occur, they have been appropriately managed and resolved by both District and Insurance personnel. This helps keep the premium cost comparable from year-to-year.

HUB's consulting fee for 2021 is \$17,000, which is the same as their 2020 fee. This fee is included in the totals above.

Recommendation

Management recommends the Board of Trustees approve the renewal policy premiums listed above for the District's 2021 insurance policies, along with HUB's consulting fee of \$17,000, for a total cost of \$192,624.

Independent Auditors – 2020 Financial Records

The Local Government Audit Law (Section 29-1-601 et seq., C.R.S.) requires Colorado local governments such as the Pikes Peak Library District (the District) to have an annual audit of their financial statements. The law states that the audit must be performed by an independent Certified Public Accountant, and be in accordance with Generally Accepted Accounting Standards.

The District completed a formal Request for Proposal process for auditing services related to the District's financial records in 2019/2020, and BKD, LLP was selected as the District's independent auditors for financial fiscal years 2019 – 2023. The Internal Affairs Committee previously indicated they were pleased with the outcome of the 2019 audit, and that they expressed no concerns related to the work done by BKD, LLP.

Attached is a copy of their Engagement Letter, which complies with the terms of their proposal. The fee for their audit of the 2020 financial records is \$32,125.

Recommendation

Management recommends BKD's Engagement Letter be executed for their audit of PPLD's 2020 financial records at a fee of \$31,125, which represents the second year of the 5 year audit engagement.

October 8, 2020

Internal Affairs Committee and Board of Trustees Wayne Vanderschuere, President Michael Varnet, Chief Finance and Business Officer Pikes Peak Library District Library 21C 1175 Chapel Hills Drive Colorado Springs, Colorado 80920

We are pleased to confirm the arrangements of our engagement and the nature of the services we will provide to Pikes Peak Library District (the District).

ENGAGEMENT OBJECTIVES AND SCOPE

We will audit the basic financial statements of Pikes Peak Library District as of and for the year ended December 31, 2020, and the related notes to the basic financial statements.

Our audit will be conducted with the objectives of:

- ✓ Expressing an opinion on the financial statements
- ✓ Issuing a report on your compliance based on the audit of your financial statements
- ✓ Issuing a report on your internal control over financial reporting based on the audit of your financial statements

OUR RESPONSIBILITIES

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Those standards require that we plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether caused by fraud or error. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS.

In making our risk assessments, we consider internal control relevant to the District's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit. Also, in the future, procedures could become inadequate because of changes in conditions or deterioration in design or operation. Two or more people may also circumvent controls, or management may override the system.

We are available to perform additional procedures with regard to fraud detection and prevention at your request, subject to completion of our normal engagement acceptance procedures. The actual terms and fees of such an engagement would be documented in a separate letter to be signed by you and BKD.

Chris Telli, Partner, will oversee and coordinate the engagement. Steven Sauer, Director, is responsible for supervising the engagement and authorizing the signing of the report or reports.

We will issue a written report upon completion of our audit of the District's financial statements. Our report will be addressed to the Board of Trustees of the Pikes Peak Library District. You are responsible to distribute our reports to other officials who have legal oversight authority or those responsible for acting on audit findings and recommendations, and to others authorized to receive such reports. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion, add an emphasis of matter or other matter paragraph(s), or withdraw from the engagement. If we discover conditions that may prohibit us from issuing a standard report, we will notify you as well. In such circumstances, further arrangements may be necessary to continue our engagement.

We will also express an opinion on whether your combining and individual fund statements (supplementary information) is fairly stated, in all material respects, in relation to the financial statements as a whole.

YOUR RESPONSIBILITIES

Our audit will be conducted on the basis that management and, where appropriate, those charged with governance acknowledge and understand that they have responsibility:

- 1. For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America;
- 2. For the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error;
- 3. For identifying and ensuring compliance with the laws, regulations, contracts and grants applicable to your activities; and
- 4. To provide us with:
 - a. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters;
 - b. Additional information that we may request from management for the purpose of the audit; and
 - c. Unrestricted access to persons within the District from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from management and, where appropriate, those charged with governance, written confirmation acknowledging certain responsibilities outlined in this engagement letter and confirming:

- The availability of this information
- Certain representations made during the audit for all periods presented
- The effects of any uncorrected misstatements, if any, resulting from errors or fraud aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole

The results of our tests of compliance and internal control over financial reporting performed in connection with our audit of the financial statements may not fully meet the reasonable needs of report users. Management is responsible for obtaining audits, examinations, agreed-upon

procedures or other engagements that satisfy relevant legal, regulatory or contractual requirements or fully meet other reasonable user needs.

With regard to supplementary information:

- Management is responsible for its preparation in accordance with applicable criteria
- Management will provide certain written representations regarding the supplementary information at the conclusion of our engagement
- Management will include our report on this supplementary information in any document that contains this supplementary information and indicates we have reported on the supplementary information
- Management will make the supplementary information readily available to intended users if it is not presented with the audited financial statements

OTHER SERVICES

We may perform other services for you not covered by this engagement letter. You agree to assume full responsibility for the substantive outcomes of the services described above and for any other services that we may provide, including any findings that may result. You also acknowledge that those services are adequate for your purposes and that you will establish and monitor the performance of those services to ensure that they meet management's objectives. Any and all decisions involving management responsibilities related to those services will be made by you, and you accept full responsibility for such decisions. We understand that you will designate a management-level individual to be responsible and accountable for overseeing the performance of those services, and that you will have determined this individual is qualified to conduct such oversight.

ENGAGEMENT FEES

Our fees for our services will be \$32,125. Our estimate of time assumes no substantial problems with obtaining the requested information needed to complete our audit.

Our fees do not consider additional efforts related to the SARS-CoV-2 virus and the incidence of COVID-19 (COVID-19) environment and the impact of accounting and auditing issues. Such amounts will be billed based on time expended.

Further, our fees do not include services related to Single Audits or compliance audits for the *Coronavirus Aid, Relief, and Economic Security Act* or other COVID-19-related funding programs. If these funding programs will be subject to Single Audit requirements or other compliance audits, we will issue an engagement letter addendum for those services.

Our pricing for this engagement and our fee structure are based upon the expectation that our invoices will be paid promptly. We will issue progress billings during the course of our engagement, and payment of our invoices is due upon receipt. Interest will be charged on any unpaid balance after 30 days at the rate of 10% per annum, or as allowed by law at the earliest date thereafter, and highest applicable rate if less than 10%.

Our engagement fee does not include any time for post-engagement consultation with your personnel or third parties, consent letters and related procedures for the use of our reports in offering documents, inquiries from regulators or testimony or deposition regarding any subpoena. Charges for such services will be billed separately.

Our fees may also increase if our duties or responsibilities are increased by rulemaking of any regulatory body or any additional new accounting or auditing standards.

If our invoices for this or any other engagement you may have with BKD are not paid within 30 days, we may suspend or terminate our services for this or any other engagement. In the event our work is suspended or terminated as a result of nonpayment, you agree we will not be responsible for any consequences to you.

OTHER ENGAGEMENT MATTERS AND LIMITATIONS

Our workpapers and documentation retained in any form of media for this engagement are the property of BKD. We can be compelled to provide information under legal process. In addition, we may be requested by regulatory or enforcement bodies to make certain workpapers available to them pursuant to authority granted by law or regulation. You agree that we have no legal responsibility to you in the event we provide such documents or information.

You agree to indemnify and hold harmless BKD and its personnel from any claims, liabilities, costs and expenses relating to our services under this agreement attributable to false or incomplete representations by management, except to the extent determined to have resulted from the intentional or deliberate misconduct of BKD personnel.

You agree that any dispute regarding this engagement will, prior to resorting to litigation, be submitted to mediation upon written request by either party. Both parties agree to try in good faith to settle the dispute in mediation. The American Arbitration Association will administer any such mediation in accordance with its Commercial Mediation Rules. The results of the mediation proceeding shall be binding only if each of us agrees to be bound. We will share any costs of mediation proceedings equally.

Either of us may terminate these services at any time. Both of us must agree, in writing, to any future modifications or extensions. If services are terminated, you agree to pay us for time expended to date.

If any provision of this agreement is declared invalid or unenforceable, no other provision of this agreement is affected and all other provisions remain in full force and effect.

This engagement letter represents the entire agreement regarding the services described herein and supersedes all prior negotiations, proposals, representations or agreements, written or oral, regarding these services. It shall be binding on heirs, successors and assigns of you and BKD.

We remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures and safeguards to protect the confidentiality of your information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information. In the event we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider.

You agree to assume full responsibility for maintaining your original data and records and that BKD has no responsibility to maintain this information. You understand that your access to data, records and information from BKD's servers, *i.e.*, BKDconnect, can be terminated at any time and you will not rely on using this to host your data and records.

We will, at our discretion or upon your request, deliver financial or other confidential information to you electronically via email or other mechanism. You recognize and accept the risk involved, particularly in email delivery as the internet is not necessarily a secure medium of communication as messages can be intercepted and read by those determined to do so.

You agree you will not modify these documents for internal use or for distribution to third parties. You also understand that we may on occasion send you documents marked as draft and understand that those are for your review purpose only, should not be distributed in any way and should be destroyed as soon as possible.

This engagement letter represents the entire agreement regarding the services described herein and supersedes all prior negotiations, proposals, representations or agreements, written or oral, regarding these services. It shall be binding on heirs, successors and assigns of you and BKD.

The District may wish to include our report on these financial statements in an exempt offering document. The District agrees that the aforementioned auditor's report, or reference to our firm, will not be included in any such offering document without notifying us. Any agreement to perform work in connection with an exempt offering document, including providing agreement

for the use of the auditor's report in the exempt offering document, will be a separate engagement.

Any exempt offering document issued by the District with which we are not involved will clearly indicate that we are not involved by including a disclosure such as, "BKD, LLP, our independent auditor, has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. BKD, LLP, also has not performed any procedures relating to this offering document."

You agree to notify us if you desire to place these financial statements or our report thereon along with other information, such as a report by management or those charged with governance on operations, financial summaries or highlights, financial ratios, etc., on an electronic site. You recognize that we have no responsibility as auditors to review information contained in electronic sites.

Any time you intend to reference our firm name in any manner in any published materials, including on an electronic site, you agree to provide us with draft materials for our review and approval before publishing or posting such information.

BKD is a registered limited liability partnership under Missouri law. Under applicable professional standards, partners of **BKD**, **LLP** have the same responsibilities as do partners in a general accounting and consulting partnership with respect to conformance by themselves and other professionals in BKD with their professional and ethical obligations. However, unlike the partners in a general partnership, the partners in a registered limited liability partnership do not have individual civil liability, directly or indirectly, including by way of indemnification, contribution, assessment or otherwise, for any debts, obligations or liabilities of or chargeable to the registered limited liability partnership or each other, whether arising in tort, contract or otherwise.

In accordance with Government Auditing Standards, we have attached hereto a copy of our Firm's latest peer review report.

Please sign and return the attached copy of this letter to indicate your acknowledgement of, and agreement with, the arrangements for our audit of the financial statements including our respective responsibilities. If the signed copy you return to us is in electronic form, you agree that such copy shall be legally treated as a "duplicate original" of this agreement.

Patron Computer Use Policy

BOARD POLICY

Pikes Peak Library District (PPLD) provides free access to Library resources and information through physical and virtual materials and technology. These include electronic resources, services, networks, and computer access that meet the informational needs and interest of the patrons we serve and to protect access to diverse ideas.

DISTRICT PROCEDURES

To protect the patron's right of access, ensure the safety of public and staff, and protect Library resources and facilities, PPLD prohibits certain activities that constitute unacceptable use of the Library. Such use may result in suspension or loss of Library privileges, including removal from the Library and/or criminal prosecution or other legal action. Unacceptable use of Library technology and resources includes, but is not limited to:

- Theft, damage, or destruction of Library property, including software or hardware components of a computer or computing system.
- Use of programs that infiltrate a computer or computing system, including uploading harmful programming, vandalism, hacking, and the production or use of malware or spam.
- Violation of the legal protection provided by copyright laws and licenses for print, electronic, video, or digital resources, programs, and data. This includes downloading or transmitting confidential, trade secret, or plagiarized information/materials.
- Assuming the identity of another person without the explicit authorization of the other person.
- Seeking information on, obtaining copies of, or modifying files, data, or passwords belonging to other users of PPLD's electronic resources.
- Viewing or downloading obscene materials.
- Illegal activities in violation of federal, state, or local laws.
- Installing software or changing configurations of Library property.

PPLD may restrict use of computers based on age in areas designated for teens and children.

As with all Library materials, PPLD affirms the responsibility of parents/guardians, not Library staff, to determine and monitor their child's (under 17 years old) use of the internet. Because we

cannot control all aspects of this vast resource, we urge parents to continually participate in their child's learning process by helping them make good choices in selecting appropriate materials and websites.

PPLD filters all of our computers and Wi-Fi access equally. We apply a category-based content filter of pornography to our internet access. This means if the requested site is on that list, we block access to it. Our filtering system meets the Children's Internet Protection Act (CIPA) and Colorado state law regulations. We also filter access on our circulating wireless internet devices.

If a patron wants an unfiltered session, they can request an override code from Library staff. The override code will not work with domains blocked due to malicious activity,

PPLD does not assume any responsibility for the accuracy of its internet filters. We welcome patrons to consult with staff on finding the most appropriate resources for their information needs.

PPLD reserves the right to ask any person who is not complying with posted restrictions to stop using the computer, and if that person does not comply, to leave the Library.

PPLD does not guarantee the protection of users' personal information due to the public nature of the Library user computer systems.

By accessing or using the Library's computers or network, you signify that you have read, understood, and agree to comply with the terms of this policy.

By the Numbers

Book store sales totaled \$211 for the period Dec. 1-31. Although the stores were closed to the public, PPLD employees and Friends volunteers had access. We also had some Grab n' Go bags on display for people picking up holds at East.

Web storefront is up, current inventory of 138 items at end of month (includes 5 SKUs for promotional items like totes, mugs, etc). December sales in this category were composed of the storefront listings as well as FB Live Second Chance promotion, Stocking Stuffer promotion, and a few phone-in orders. Total sales were \$893, 27 customers, average \$33.07. Please visit this site at https://friendsppld.square.site/.

eBay sales were \$983, composed of 20 lots, average sale \$49.15. End of month inventory count was 17 listings. Amazon sales totaled \$4278 with 134 items sold. Average sale price \$31.92. Inventory count at end of month was 1,287. Grand total of gross sales Dec. 2020 = \$6,365. We took in donations from 60 people during December at East only.

Active volunteer roster for December was 13. We have accumulated approximately 125 boxes of materials for the next big book sale. Target for a \$10K sale is 500.

What's New

Three volunteers have indicated intent to return in January

One new volunteer is in the interview process

The first winner of our cross-promotion efforts with PPLD Communications collected their \$15 credit from online store merchandise. More to be awarded in January.

Bookstores will re-open on self-serve basis on Tuesday, January 19th when libraries allow patrons to browse once again. Public knowledge date, 1/12. Improved price signage, rearranging and refresh of all stock is slated to be completed by that date so we can promote "Grand Re-Opening" for East and 21C.

Next Facebook Lives are scheduled for Tuesday, January 19th from 6-8 (Theme: New Year Resolutions) and Thursday, January 21st same time (Theme: Words & Pictures - Graphic Novels, Manga, Comic Books Galore). Event promotion starts 1/11.

PPLD has a new volunteer management program. PPLD's Volunteer Coordinator and I (Beth Crumrine) are working together on how this impacts Friends operations.

PPLD's operations have have significantly impacts from the effects of being part of a world-wide pandemic. PPLD's services have been shut down/reduced since March 2020, and that had affected PPLD's expenditures during 2020, particularly in the areas of personnel costs and other services (which includes categories like training, travel and so forth).

In relation to the pandemic, PPLD incurred additional costs taking additional measures to meet County and State health standards. Near the end of 2020, PPLD received notice that it received a \$500,000 Federal grant to be reimbursed for such expenditures. PPLD is in process of reconciling all financial activity related to additional expenditures as a result of the pandemic. This grant will cover certain related expenditures for both 2021 and 2022.

Operating transfers from the General Fund to the Capital Project Funds are made in accordance with the approved budgets for both 2020 and 2019.

Public Services Report December 2020

North Region Community -

On December 1, Library 21c launched the "Park & Text" Curbside model. With "Park & Text," staff utilize the Unique texting software to

communicate with patrons. Patrons park their vehicles in a designated spot and text staff to communicate their need for Curbside service. In the event a patron is unable to text, they are encouraged to flash their hazard lights for assistance. Walk-up service continues to be provided. As a result of this service modification, staff are safer as they make fewer trips outdoors in the frigid, sometimes icy conditions. The process is a continued exercise in teamwork; staff communicate with and assist one another while working Curbside, and they experiment with different ways to provide the best service. The "Park & Text" model has been successful. Both patrons and staff appreciate the evolving expediency of Library 21c's Curbside service, and most standard holds requests are swiftly fulfilled within a few minutes. "Park & Text" was a two-month collaborative effort between Public Services, Collections Management, Communications, and Facilities, and Library 21c staff share their appreciation for the guidance and support to kickstart this service. Other libraries in the district will be rolling out the new model in December and January.

RO's PPLD Pen Pals program is still going strong despite current circumstances. They hope to expand this program District-wide to increase its reach to help combat loneliness in 2021.

Calhan residents are really pleased with the addition of faxing services at the Calhan Library. This is a high demand service during tax season in Calhan, and the only other fax service (formerly at the Town Hall) is currently unavailable due to pandemic closures.

In collaboration with Family and Childrens and Young Adult Services, Allison Presley and Kim Cox (HI) continue to work on the recommendations and videos for promoting YA and middle grade books to adults. Videos coming to Facebook soon! With all the trauma and stress of the pandemic, many readers have found escape and comfort in re-reading favorites from their youth. Kim and Allison have put together readalike lists for many childhood classics to remind adults of the wonder of these titles, the value of reading them as adults, and suggestions for newer children and young adult fiction that have similar appeal.

The town of Palmer Lake has received plans for the replacement of the exterior entrance ramp. They are working with their contractor to set a construction schedule. When ADA improvements have been completed, we will be able to return service to the Palmer Lake Library.

Innovation/Creativity -

To share staff talent and boost morale, all employees working within Library 21c were invited to contribute to a gallery of artwork. Senior Associates Yelena Mitchell and John Jarrell collected the artwork and hung the pieces in early December. To persuade people to share their art, a friendly bit competition was added; staff were encouraged to vote for their favorite piece, and prizes will be awarded to the first,

second, and third place winners in early January. The staff art gallery has been a terrific way to share staff talent and, for the first time in many months, make use of Library 21c's gallery space.

Service -

Rural communities work best with a lot of word of mouth, so CA staff are trying different avenues to get the word out about their services and to reach new patrons in the community. In December, Tasha Ryan (CA) and Andrea Keiter (CA) distributed library fliers around Calhan, including 100 flyers to the Eastern Plains Community Pantry, which will be put into the boxes they hand out to those in need.

Tina Matiatos, from RO, along with other services staff have been putting together a virtual homeschool science fair which has started to be advertised and hosted through Biblioboard-much like Rockrimmon's Community Art Show. This will encourage families to go through the science fair project process.

Internal/Staff -

HI and CA staff have completed the design of their new internal staff recognition plan. Staff can nominate their co-workers in one of three categories: teamwork, plus one customer service, and problem solving. There will be one winner each month who will receive a thank you note with pin. Staff can wear their "flare" if they chose. After 3 pins in any category, staff can pick a book from the Friends, an extra professional development hour, or some chocolate. They will be recognized in the staff meeting. This kicks off in January!

Accountability -

Monument had its first order of chairs reupholstered with easy-clean vinyl completed, though the adult area couch was mistakenly redone with the Children's area chosen color. This happened to be a beneficial bungle as the larger couch is better suited to family seating anyways. Monument elected to have all soft-upholstery replaced with an easy-clean option, which was less expensive than purchasing new furniture.

Since Rockrimmon had many strong candidates for its 24hr Assistant position, 21C and MO were able to pull from the list of candidates and will have abbreviated interviews for their respective locations' Assistant vacancies, planned for the beginning of the New Year.

Library 21c implemented in December a change in procedures that allowed it to successfully move to a 24hour quarantine period. Following East Library's lead, in early December staff at 21c began "pre-checking"

returned materials for damage, missing components, and bedbugs. Prior to this adjustment, staff would empty book drops of returns and bag the items to restrict the spread of bedbugs during the quarantine period. By checking items in advance for bugs and damage and then allowing them to quarantine, staff have removed the need for bags to contain items. This has cut back on waste and has made the entire process more efficient. Coinciding with the modification to "pre-check" returned items was a large push to complete processing of Library 21c's existing 10+ days of guarantined materials. Thanks to the determination of 21c staff and assistance from Young Adult Services and Collections Management, by December 16, Library 21c's collection of returned items was at the preferred 24-hour quarantine period.

Southeast Region

Community -

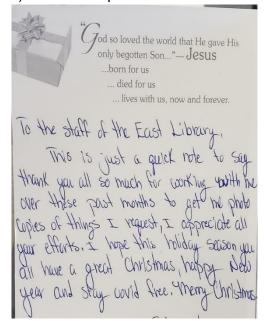

A patron recently asked Fountain Senior Library Associate, Mary Gapko, what good our current model of service was doing, and her response was that we are getting to know our patrons better. "When a patron comes in, they have to interact with us, and we are getting to know their names and faces much better than before."

Resources -

At Ruth Holley, Cynde Roberts (Senior Library Associate) has made it possible for families to

take advantage of themed J Easy book bundles she has been creating. She was also able to give out several board books to expecting families and parents with babies to celebrate this month's Bumps and Babies Resource Fair. She also made sure other staff were aware of this fabulous program so they could share it with the patrons they served.

East Library sporadically receives requests from individuals who are incarcerated in a facility through the Department of Corrections. This activity seemed to have picked up in recent months. Trent Templeton (Library Associate) usually provides responses to these inquiries and over time has seen the same names continuing to request information. In 2020 he received and responded to 94 of those requests! We even received a Christmas card from one of the regulars.

Innovation/Creativity -

East hosted PPLD's first Drive-up Storytime. On a FRIGID morning (12/30/20) when temperatures were in the 20s and the wind was not very helpful - several Family & Children's Services staff and Jami Dykema (Senior Library Associate) from East Library entertained 4 cars containing 22 people for two storytimes utilizing an FM transmitter that patrons can tune into from their cars. They learned a lot from the experience and East is happy to help the district develop this new program! Email reference also received this complimentary email that day:

"I just wanted to say thank you to ppld east for story time this morning. It was pretty awkward as are most things in 2020 but these ladies were out there in 25 degree weather singing and dancing and bringing smiles to kids faces. They are heroes in my eyes. Selfless and beautiful. So again, thank you!"

Jordan Romero (Sand Creek Senior Library Associate), Jake Rundle (Sand Creek Library Manager) and Jenny Kremyar (Southeast Creative Librarian) visited the MAC to get a tour of their ceramics studios. Romero and Kremyar are working with the Trust for Public Land, RISE Southeast, and the City of Colorado Springs to install two tile murals in Panorama Park. The MAC has some of the larger clay working elements that Kremyar and Romero will need to get clay ready for the public to begin making tiles for this installation. We will begin scheduling time in Late January to mix clay using their clay mixer and prepare that clay for tile making using the MAC's slab roller. Sharing these tools will keep the cost down for Sand Creek and bring in artists and visitors of the MAC to this amazing project.

Service -

Melody Philbrick (Fountain Senior Library Associate) has been serving patrons through email by offering reference help for specific reading levels and nonfiction suggestions this month. She says it takes a little more time, but it is helpful to our patrons because they are unable to browse at this time and it is a service that she would offer to them if they were in the library.

Internal/Staff -

Yvette Dow-Rose (Fountain Library Associate) was able to attend the EDI conference that was presented by the Amigos Library Services in December and the *Where Do We Go From Here?* She also attended sessions presented by Diversity University. She said both trainings were powerful and provided a wealth of information and resources that apply to our services and patrons we serve.

Congratulations to Sara Sharples (Sand Creek Senior Library Associate), Mark Fletcher (Fountain Library Supervisor), and Gigi Holman (Fountain Library Manager) on completing the PPLD Leadership Certificate program.

Accountability -

East Library made it to 24-hour quarantine! This happened in mid-December and there was a collective sigh of relief. Now we typically finish each day's returns by 2 pm, and then can focus the rest of the day on shelving, pull list, etc.

Penrose Librarian Evan Childress has worked with FCS to purchase books for a reading program that one of the schools that Penrose partners with is offering to their students. This is a perfect example of relationship development, whereby when this opportunity to partner presented itself, Evan was able to support literacy in the Community.

Mobile Library Services & Combating Loneliness During the Pandemic...

A patron remarked, "Can't feel safe anywhere anymore but the Bookmobile, I don't go anywhere but here."

Rather than postpone service to the Lobby Stops facilities that are combatting outbreaks, we are offering "contactless service". The service has been well received and keeps the residents stocked in reading and watching materials.

At the Cheyenne Mountain Library Sr. Associate Katie Smith and Assistant Pam Werling participated again this year in Meadows Park Community Center's Gingerbread Village program with Mobile Library Services. Smith said, "Local businesses and organizations make a house each year, based on a theme selected by the Meadow Park Community Center kids. The houses go on display at an annual luncheon at Hotel Elegante. This year, that event is virtual.

Old Colorado City patrons continue to comment about how much they appreciate all we continue to do and how very much they miss us. One patron sent in a "Contact Us" email

and shared the following compliment:

"The OCC librarians are the lights of this dark season. I love the "Staff Picks" that you included with our latest pick-up. One of your librarians (perhaps, Susan?) found and put on hold the perfect books on CD for our family. This has happened more times than I can count. One of the librarians has the perfect suggestion or goes the extra mile to help us find a book. Everyone is unfailingly warm, thoughtful, and helpful. I can't express the profoundly important role of the OCC library in my family's life. Thank you!"

In preparation for the transition to the Manitou Arts Center, some of Manitou Springs Library special collection books were selected for discard. Jenny connected with the local heritage societies in both Manitou Springs and Ute Pass for donation. These goodwill gestures will help ensure a lasting and reciprocal partnership with our community.

Innovation/Creativity -

When the frame for hanging the clay sculptures created by community members as part of PPLD's Maker in Residence Program began to bow under the weight of the art and would not support the patron's creations, Senior Associate Caitlyn Zimmer innovated to find a way to display them in the library's window for people to see inside or outside. Facilities tech, Dave Krueger assisted with the implementation.

Sarah Hoelting coordinated with OL's circulation trainer, Susan Simpson, and branch manager, Amber Cox, to kickstart book bundles at Curbside for OL patrons. Amber coordinated with Jenny Pierce, Director of Collection Management, to create an OL display account for checking out items for the book bundles, and a list of criteria to consider during this test pilot phase to share with other locations at a future date. Sarah curated a physical menu (list)

of 10 themes for both adults and children to pick from while utilizing Curbside services. Sarah continues

to update the menu every Friday to start fresh on the following Monday.

Service -

Senior Associate Laurel Bergsten wrapped themed bundles of discarded books in non-circulating condition and placed them on a free cart at curbside, a gift to patrons. One patron commented on Facebook, "a good resource for those you know who are struggling this year."

Several months ago, Sara Gallagher initiated an assessment of the janitorial services being conducted at UT and MA. The findings were shared with Branch Manager, Whitney Springer, who has followed up with the cleaning company, CBM. CBM is adding accountability measures and training to ensure that the branches are being cleaned in accordance with the contract.

Solidified a partnership with the Pikes Peak Workforce Center and D-11 to create a digital literacy learning pathways for Adult Education students, and any adult interested in improving their digital literacy skills for employment. We will be sharing the use of PPLD's Northstar Digital Literacy subscription.

Internal/Staff -

Adult Education, Adult Services, and Administration held a joint, after-hours paint night with most staff participating. We did introductions, did some ice breakers, and shared our creative expressions.

Sandy Hancock presented to Manitou Made (8 attendees) on Lynda.com and Gale Small Business Builder. She also presented to VetNet Small Business group (22 attendees) on general and business library resources.

Bryan Matthews hosted 3 popular virtual programs in December:

- Beethoven at 250, an on-demand presentation viewed through PPLD YouTube channel, had 109 views in the month of December. This program was written and produced by Michael Campion, classical music on-air host at a local radio station.
- Pikes Peak or Bust: Colorado Women '59ers was a sixty-minute live program presented via Zoom platform on December 9. Author JvL (Julie) Bell presented a program based on her books and research in the subject matter. Program had 5 live participants and 32 subsequent views on the PPLD YouTube channel.
- Sherlock Holmes in Little London: 1896 The Missing Year was a sixty-minute live program presented via Zoom platform on December 16. Author John Wesley Anderson presented a program based on his newly released book and his knowledge of Sir Arthur Conan Doyle's novels/short stories of the famous detective. Program had over 68 live participants and 117 subsequent views on the PPLD YouTube channel.

Amy Rodda met with the Pikes Peak Area Agency on Aging to discuss the Medicare 101 classes and collaboration. They will be revamping the classes a bit to provide information in smaller chunks. They will also be providing classes exclusively through PPLD (they were also offering another set of classes on their own.) The classes will be virtual for all of 2021.

Resources -

Sandy was interviewed by Fox21 news for the IndyGive campaign and was able to highlight PPLD's business resources. https://www.fox21news.com/living-local/resources-you-can-count-on-pikes-peak-library-district-is-here-for-you/. She also attended the Colorado Business Economic Outlook Forum.

This month we had seven people attend the Virtual Pro Se Clinic. She completed 34 one on one appointments. While the prisons are still on lockdown, she is still receiving requests from inmates. One who writes regularly, was released from the infirmary recently after struggling with COVID. Hearing of their challenges has made her appreciative of the relative freedoms we have even with the existing restrictions in place. While in lockdown, most only get to leave their cell every other day for a short shower, so they are appreciative to have their requests filled.

Deb finished and published the Money Issues Libguide. In working with a patron, she realized that she needed to update the directions for accessing Westlaw at home, so she revised those directions and reposted them. There will be more updates to come since both Colorado and the Federal government passed new relief legislation.

Melissa Mitchell worked with ALA to reschedule the Americans and the Holocaust Exhibit. PPLD will now host the exhibit September 1 – October 13, 2023.

Innovation/Creativity -

Staff have reached out asking for a self-paced murder mystery program. Sara Gallagher pointed out one library's innovative program. Meagan Huber met with Alyssa from the Muskingum

County Library System to find out more information. She will be coordinating with Young Adult Services staff and Sara to create this program sometime in 2021.

Heidi, Melissa, Bryan, and Meagan spent time planning the April & May program menu including contacting presenters and exploring take and make ideas. The menu was released on Jan. 4.

Service -

Heidi Buljung worked hard in December to get things set for the Winter Adult Reading program (graphics from communications, getting Beanstack set up, finding a new mug vendor at the last minute, updating the game a bit, and scheduling some programs.)

Delaina Massie hosted a Virtual Sing-Along Holiday Edition for Library Explorers in December. She had 5 enthusiastic attendees. She also ordered and distributed clear window communication masks to all branches. The clear window masks are so useful when communicating with hard of hearing patrons.

Internal - staff -

Deb Hamilton was contacted by a representative from Niche Academy. Niche Academy works closely with Libraries Unlimited (the group who will be publishing her book). She agreed to work with Niche Academy on offering a webinar in July that will cover how to do a legal reference interview, make community partnerships in the area of law, and ideas for possible legal programs in libraries.

Deb, Sandy, and Amy helped with the LMS review that HR was conducting. There were three different demos and the debrief meeting. HR decided to move forward with the Bridge system. Bridge will be an excellent system to use for staff training and we look forward to working with it.

Melissa Mitchell hosted a CAL Services and Outreach to Underserved Population meeting on December 8.

Heidi and Melissa worked with the Staff-O team to plan and host the virtual holiday party. We have received many compliments are hosting the party over Zoom.

Collection Management

Resources -

In 2020, Collection Management added over 18,000 titles and 58,000 items to the physical collection. Additionally, 15,570 magazines were added to the Collection. Over 93,000 items were removed from the Collection. Physical items added to the Collection equaled 63% of the items added in 2019. eBook and eAudio titles and copies had substantial growth over 2019 with the increase in demand from patrons unable to browse or visit the libraries during the pandemic. In 2020, there were 51% of the physical material checkouts of 2019, and 23% more eMaterial checkouts than 2019.

Despite the limited number of libraries providing interlibrary loan services during the pandemic (many academic libraries had extended pandemic-related closures), PPLD's ILL staff shared 8,834 items with other libraries, and borrowed 17,279 items for the use of PPLD patrons in 2020. Access to these materials is greatly appreciated by patrons, as expressed in this email comment received in December: *Thank you so much for these links. I was able to download both as pdfs and have already been reading some of what is there on my ancestors. I never*

would have been able to do the microfilm or even the books; but now I can take my time to look over these files and keep them as records for later use. Again, thank you so much for all your help".

Innovation/Creativity -

The use of Park & Text for curbside service at Library 21c reached its potential in December, expediting transactions and eliminating half of the previous trips made by staff to patrons' vehicles. The staff are pleased to have it, especially with the cold days. Patrons have also commented on the efficient service, one offering a \$10 tip to a staff member (who nicely declined it).

Service -

The Materials group processed and sent out the equivalent of 542.5 feet of books, audios, DVDs and other items. That would equal the height of Multnomah Falls in Oregon.

Acquisitions staff facilitated 365 patron requests for purchase, ordering 218 of them (a fill rate of 60%).

Cataloging staff expanded their footprint by utilizing physical space outside of the Collection Management work area, and finding ways to do more cataloging from home. This is part of the effort to continually consider and revise processes in Collection Management with staff safety in mind, during the pandemic.

Internal/Staff -

Greg Roes provided training for library supervisors on particular situations that can be difficult to address with patrons.

Tania Hajjar, Collection Acquisition Manager, completed the PPLD Fall Leadership Class. ILS Admin Colleen Medling, and the rest of the Staff-O planning committee, provided a fun virtual holiday party for staff. Numerous Collection Management staff attended – prizes were won, crafts were made, and escape rooms were escaped.

Accountability -

The Acquisitions staff tracked end of year purchases to maximize use of the materials budget. A final large purchase of eMaterials was done when a 5% credit for the total order was offered, and yielded a \$6,000 credit to spend in January. The holds ratio dropped to 3:1 for eBooks and about 4:1 for eAudios.

The Materials group focused on invoices (of which they see a lot!) for their quarterly troubleshooting training in December.

Creative Services

Becca Cruz attended a meeting with local makerspace leaders from Pikes Peak Makerspace and the Manitou Art Center. These meetings have been helpful for sharing ideas and discussing ways of working together more closely in the future.

Work continued on preparing the new 3D printers to be sent out to the makerspace locations.

Innovation/Creativity -

The Artist of the Knight season one concluded in December after showcasing six local artists - three musicians and three visual artists. The program has seen an enthusiastic reception and has begun taking applications for the next season. The episodes are available through YouTube and Facebook and have steadily accumulated views on both platforms. Artist of the Knight not only showcases the each of these artist's work, but also aims to provide insight into the thoughts and motivations behind our local creatives. Dustin Booth has received great feedback on the viability of the series, as well as encouragement from staff and patrons alike, who have found value in the portraits of the featured artists.

Service -

Sarah Holland and Ben Dahlby continued working on the laser badging video, which, when finished, will allow for patrons to complete training to use the laser cutter/engravers throughout the District on their own time.

Internal/Staff -

Creative Services staff did an activity on post-traumatic growth together with the help of Sarah Marshall from HR. The activity allowed the group to discuss losses and gains during the pandemic and take time to reflect on what everyone is learning and acknowledging the difficulties that everyone is facing. It was a fruitful discussion that everyone enjoyed having, and will be followed up on at a later meeting.

Interviews were held for the two Creative Services senior librarian positions. Two candidates were selected and should be announced in early January.

Accountability -

Several end of year purchases were made with many items being purchased to help with rounding out the tools that will be available for the Food Industry Training program when that starts again. Capital purchases of a new kiln and new studio equipment for Sand Creek Library also occurred.

Betty McDonald met with 78 fourth graders and two teachers via Teams at D20's School in the Woods on December 4th. She demonstrated how to use the PPLD catalog and how to put items on hold. Betty also gave a brief tour of PPLDKids. The teachers were thrilled with the

presentation! Betty has known John Wuerth, the principal at School in the Woods, for many years and listened while he spoke very glowingly about PPLD to the students. John Wuerth is certainly an ambassador for library use and appreciation!

Betty McDonald, Christa Funke, and Barb Huff completed the Language Arts curriculum for grades 3-5th for Harrison School District 2. Betty assembled the resources into a LibGuide: https://research.ppld.org/HSD2ElementaryCurriculumGuide

The LibGuide link was sent off to Laura Spruce, elementary curriculum specialist at Harrison School District 2. She was very pleased with the information and the resources.

Innovation/Creativity -

We did it! We offered our first in-person program since COVID with Drive-In Storytime. Milissa Fellers, Jami Dykema (EA), Melody Alvarez, and Barb Huff hosted at East Library on December 30, and Jordan Romero (SA), Milissa Fellers, Melody Alvarez, and Laura Broderick hosted the program at Deerfield Community Center on December 31. Staff performed a storytime in the parking lot while we broadcasted it through a radio transmitter. Patrons listened in their car or were able to get out of their car and were socially distanced in their own individual parking space. We passed out lyrics to the songs and rhymes so families could participate, and shakers and bubble wrap. Families were so excited!

We also received a nice comment from a patron: I just wanted to say thank you to ppld east for story time this morning. It was pretty awkward as are most things in 2020 but these ladies were out there in 25 degree weather singing and dancing and bringing smiles to kids faces. They are heroes in my eyes. Selfless and beautiful. So again, thank you!

Service -

Betty McDonald worked with Greg Roes and Communications to have library card applications translated to Mandarin, Vietnamese, and Korean. Applications are found on our PPLD website: https://ppld.org/library-card-application

Internal/Staff -

Thematic Goal Family & Children's Services staff send out bi-weekly Staff Spotlights. The bi-weekly spotlights are an opportunity to combat loneliness and isolation among Family and Children's Services staff by acknowledging the contributions and achievements of staff members and celebrating their roles at PPLD.

Laura Broderick completed an Ages & Stages training for incoming staff. This training will help all staff learn about child development so they can better serve our young patrons. Christa Funke is currently working specifically on Tween development training to be ready by February.

Accountability -

We are launching PowerPass with D2 in January. As part of our partnership, we are creating Take & Makes for all D2 students. For elementary students we will create 4705 elementary D2 Take and Makes going out in the spring. We purchased the materials with the remaining of our 2019 budget. We found a project that cost only \$162.38 for all 4705 projects.

Community-

On December 9, Takiyah Jemison and Heather Jordan met virtually with former employee Tim Blevins to work on the eBook for *Invisible People*. We hope the eBook release coincides with the physical book release, if possible. Two additional proofs of the physical book were ordered, with adjustments to the cover, front matter, and images. The book release is still on track for Mid-February.

The most popular Facebook post this month was of snow piled high on West Colorado Avenue after a December 1913 blizzard. This post reached 1,324 people and shared 10 times.

Resources-

Dave Wendel completed and oversaw 239 Pikes Peak NewsFinder microfilm requests. This was the highest request count in 2020. Dave also digitized 539 Gazette

newspaper articles and indexed 667 newspaper articles with metadata. All of these are now accessible via the Pikes Peak NewsFinder database.

Service-

As a part of a long-standing partnership with the Colorado Springs Gazette, Erinn Barnes provides the Gazette with 30 images for the daily *A Look Back* feature. The new Denver Gazette is a daily digital news outlet operated by the Gazette in Colorado Springs. Utilizing the previous relationship, the Denver Gazette staff requests Rocky Mountain News front pages to populate their *100 Years Ago Today* feature.

Erinn Barnes fulfilled 11 photo requests from external constituents which included the National Gallery of Art in Washington D.C., the Georgia O'Keeffe Museum, Colorado College, and Glass Entertainment. She also provided 362 images to Rocky Mountain PBS for the documentary "Lost and Preserved in Colorado, which is in production.

Cara Ramsey presented a variety of virtual genealogy classes. A standard slate of two basics classes is offered each month with an additional specialized class rotated in. This is an important strategy as we continue to build new audiences.

- Genealogy Basics (December 7 and 19)
- Ancestry Basics (December 28) participants from New Jersey to Texas to Minnesota)

Internal- Staff-

Tim Morris started book mending and repair training with Shawn Ho. The training has been supplemented by a remote study course provided by the Canadian Bookbinders Guild, which

included detailed instruction on topics including: Restoration & Repair, Advanced Binding Techniques and Methods, and Leather Working.

Staff members conducted interviews and selected two candidates to fill vacant Library Associate positions. Over 60 people applied for the posted Associate position; the two candidates selected will fit in well with our existing team and provide new perspectives. The new staff members will start in January.

Accountability-

RH*G staff finalized Preservation projects for 2021. The grant funded 2020 Preservation Assessment identified, defined, and prioritized key projects to achieve in the next 5-10 years. After reviewing the comprehensive list, staff members evaluated projects based on three criteria: A) implementing operational changes will not impact a tight 2021 budget, B) providing a foundation for long-term success of subsequent preservation projects, and C) the team can realistically accomplish 3-5 projects without negatively impacting other goals.

- 1. Update and consistently use a Collection Management Plan that is specific to Special Collections.
- 2. Gather all policy and procedure documentation in one place on internal server and keep it up to date.
- 2.1 Streamline and organize Athena file share.
- 3. Establish a routine schedule for housekeeping in storage areas to deter pest activity and to prevent buildup of dust and debris.
- 4. Inspect collection items immediately before and after access is provided to researchers.
- 5. Educate PPLD staff and administration on the multifaceted roles of preservation and collections care.

Young Adult Services

Community -

In December, YAS made big strides in the project to align Harrison School District Two's language arts curriculum with PPLD resources. Throughout the month, staff researched the texts included in the curriculum and locate resources throughout the PPLD collection that would enrich the students understanding of what they were learning in class. Cameron Riesenberger sent a sample to the curriculum coordinator at HSD2 for review. HSD2's feedback was wholly positive, and they are excited to provide these guides to their students.

Larissa Powers reached out to teens who have applied to be members of the Teen Advisory Board (TAB) at any point since the Library's closure in March to inform them of our first upcoming session of Virtual TAB, which will occur in February. Many teens have already replied with enthusiasm to join the virtual Board. Teens from the Board will provide valuable assistance in guiding virtual programming and creating social media content for Young Adult Services.

Mikaela Fortune at Penrose Library continued to co-host a Pop Culture Club with Inside Out Youth Services. In December we had three programs with a total of 28 participants.

Becca Philipsen, Joanna Nelson Rendon, Becky Saad (The Place), and Julie Wilson (Rampart Library District) met to discuss Safe Place and what it would look like if the Woodland Park Library joined the National Safe Place Network.

Resources -

During the monthly joint young adult meeting, Cameron Riesenberger reviewed PPLD's latest database acquisition, US Major Dailies. He provided tips and tricks for navigating the interface.

Melody Trejo-Lopez at Ruth Holley Library continues to translate materials for us. She translated PowerPass information for all grades as seen on ppld.org for Communications. She also translated the bullet journals Take & Make for Young Adult Services.

Innovation/Creativity -

Britt Bloom and Cathy Wood (Library 21c) led an interactive virtual winter-themed escape room with 16 participants. The participants solved the escape room quickly, and they wound up completing another two in the time we had scheduled!

Service -

Larissa Powers collaborated with Karen Goates in Human Resources to work out the teen application and onboarding portion of VolunteerHub, while keeping the legal aspects of COPPA laws in mind.

Larissa Powers met with outreach staff from the Colorado School for the Deaf and the Blind to begin planning a virtual event for families of Deaf children in late January.

Internal/Staff -

Over the course of December, Young Adult Services staff participated in several discussions about setting goals and strategic focus in YAS for 2021. As a group, they revised their goal statements and departmental strategic plan to help them stay organized and on-track in an uncertain future.

Cameron Riesenberger attended the Equity in Action workshop, presented by Library Journal, throughout the fall of 2020. This workshop is preparation for a PPLD collection audit that will begin in 2021. It reinforced the importance of developing inclusive services - and continually assessing those services – that reflect the backgrounds, culture, and experiences of all our patrons.

Young Adult Services celebrated Lauren Fellers' Master's of Library and Information Service graduation with party hats, two truths and a lie, and general revelry!

Larissa Powers assisted with shifts on the Bookmobile. Britt Bloom, Becca Philipsen, and Lauren Fellers covered shifts at other locations. Larissa and Becca Philipsen assisted with processing quarantines at Library 21c.

Accountability -

Lauren Fellers edited and released <u>Blooper Reel</u> to close out the year for Young Adult Services. It went out in the Bookmark as well and received positive feedback from staff! Larissa Powers joined a group of Colorado-wide young adult librarians to collaborate on virtual programming and examine what has and has not worked for librarians across the state.
