Presentations

Manitou Springs and Ute Pass Library Manager Margaret Morris provided an update.

The City of Manitou Springs is moving forward with the expansion and ADA access project for the library building in Manitou Springs. The City has selected architect Thorp Associates of Estes Park for the project. Thorp Associates has assembled a team for the project and has conducted 2 meetings with Manitou Springs City Council, citizens and PPLD staff in July. Two additional meetings are planned. Thorp Associates hopes to make the Library “green”, aiming for a LEED gold rating. PPLD will work closely with the City of Manitou Springs on every aspect of the project. The timeline for the project has not been established, but it is estimated that the project will take place over about 3 years, with fundraising and grant-seeking by the City of Manitou Springs taking up a major part of the time frame.

Manitou Springs Library is setting up an aquaponics system with funds from a Healthy Living grant. The Manitou Arts Center received a $1,000 grant for aquaponics which they are passing on to the Manitou Springs Library. Manitou Springs Library staff hope to raise vegetables and flowers in the system.

Summer lawn concerts at Manitou Springs Library are very popular this year with at least 350 people showing up weekly for family picnics and music.

Summer reading was popular at both the Manitou Springs and Ute Pass Libraries. Ute Pass is increasing programming for children, teens and adults, and Ute Pass staff are finding Ute Pass Elementary School to be very receptive to cooperative efforts.

**Decision 16-7-2: Fiscal Year 2017 Budget Priorities**

The Board Internal Affairs Committee discussed priorities for the budget for fiscal year 2017 at its July 12, 2016 meeting. The District will have the results of the compensation study in early 2017, making the main budget priority implementation of the first phase of recommendations coming out of the study. Priorities for the 2017 are ranked in this order:

**Second:** Keith Clayton seconded the motion.

**Vote:** The motion was approved unanimously.
