

CyberShelf: Libby app

All mobile devices are different.
For specific instructions, go to: help.overdrive.com.

What do I need to use the PPLD Libby app?

1. A Pikes Peak Library District card and PIN.
2. A mobile device with wireless Internet access.

Download & Transfer Instructions:

Step 1. Download required free app

- Go to the Play Store, Windows Store, or App Store on your device.
- Search for Libby app.
- Install it.

Step 2. Checkout eBooks

- Open the Libby app.
- Select **Hi!**
- Select **Find My Library**. If a Pikes Peak Library District location pops-up select **Yes**. If not you will need to select **No** and manually search for a PPLD location.
- Select **Add Your Card** and Sign In using your PPLD library card and pin.
- Tap on the Search icon  to search for a title or author in the OverDrive catalog. Tap on the cover of the title, this will take you to the title's information page. Tap **Borrow** to checkout the title and it will begin to download to the app. If not available tap **Place Hold**.
- To access the titles that have been checkout and downloaded tap on **Shelf** at the bottom right. To go the catalog tap on **Library** at the bottom left.

Need further assistance? Tap on the menu icon  then **Feedback**.
