

# CyberShelf: OverDrive MediaDo Reader

For optimal use, we recommend using Firefox or Google Chrome browsers.

## ***What do I need to use PPLD OverDrive in my browser?***

1. A Pikes Peak Library District card and PIN.
2. A computer or tablet with an Internet connection.

## ***Browsing and Reading Instructions:***

### **Step 1. Checkout eBooks**

1. Click on **CyberShelf/OverDrive** in the upper navbar of ppld.org.
2. Click on the search icon. 
3. Click on **Advanced Search**.
4. Under **Formats**, select **MediaDo Reader** for anime/manga books.
5. Click on the cover of the book you want, then click **Borrow**.
6. Go to your **Loans** by tapping the book symbol. 

### **Step 2. Read eBooks in your browser:**

1. From your **Loans**, locate the title you wish to read.
2. Click **Read** (in your browser).
3. This will open a new window containing your eBook.
4. Using your mouse, click on the left side of the page to turn the page. Click on the right side of the page to go back a page.
5. The slider at the bottom of the page can also allow you to scroll through pages or use the back arrow to return to your most recent page.
6. Click in the middle of the screen to bring up the menu. Click the middle of the screen again to close the menu.

The **Close** button closes the book.

The **Contents** button allows you to skip to specific book sections.

The **Bookmark** button allows you to add or edit bookmarks.

The **Settings** button gives with options for viewing one or two pages at a time and page turning animation.
