Becker, Suzy. **Kate the Great...Except When She's Not.** In this illustrated diary-style novel, fifth-grader Kate is trying to be nice to standoffish Nora but it's very difficult.

Colter, Stephen L. **Cheesie Mack** (series). Cheesie and Georgie are good friends but together, they equal trouble.

DiCamillo, Kate. **Flora & Ulysses.** After rescuing a squirrel from a vacuum cleaner, Flora is amazed that the critter, named Ulysses, now has super powers.

Griffiths, Andy. **The 13-Story Treehouse.** Two boys who live in a treehouse have trouble getting their work done because of flying cats, giant bananas, and more.

Hamilton, Richard. **Cal and the Amazing Anti-Gravity Machine.** A boy and his talking dog investigate their wacky neighbor's unusual science experiments.

Healy, Christopher. **The Hero's Guide to Saving Your Kingdom** (series). Four princes—all named Charming—long for a “happily-ever-after” in their respective fairytales and unite in hopes of improving their stories.

Hiaasen, Carl. **Chomp.** To make ends meet, Wahoo's family agrees to allow a TV show called “Expedition Survival” to film on their land.

Jensen, Marion. **Almost Super.** Two brothers look forward to obtaining their super powers but, to their horror, their abilities turn out to be useless and just plan embarrassing.

Kelly, Jennifer. **Jackson Jones: The Tale of a Boy, a Troll, and a Rather Large Chicken.** A boy is blown into a gigantic tree during a storm, where he meets a troll and other oddball characters as he tries to find his way home.

Nesbo, Jo. **Doctor Proctor's Fart Powder** (series). Nilly and Lisa help their neighbor devise a powder that makes a person fart, an invention that's very popular at school.

O'Hara, Mo. **The Big Fat Zombie Goldfish.** Tom's pet was just a regular fish until his evil scientist brother got a hold of it. Poor fish.

Perkins, Lynne Rae. **Nuts to You.** When a squirrel is carried off by a hawk one day, his friends set out to find him and bring him home.

Scieszka, Jon. **Frank Einstein & the Antimatter Motor.** To win the \$100,000 Midville Science Prize, Frank will need the help of the two robots that come “alive” when lightning hits his workspace.

Spratt, R. A. **The Adventures of Nanny Piggins** (series). Mr. Green finally finds his children a nanny—an ex-circus pig who's a great caregiver...except for letting the kids do anything they want.

Urey, Gary. **Super Schnoz** (series). Born with an extra-large nose, Andy, aka Super Schnoz, has amazing abilities that give him status as superhero.
