

# **MONEY MATTERS:**

## **Building a Healthy Financial Legacy**

**Join us for this workshop designed for homeschooling parents!**

With some basic planning, adjustments in priorities, and good old-fashioned work, financial legacies can change. Presenter Doug Owens shares his experiences, revealing how in just 10 years he went from financial struggles to financial independence. This workshop will focus on helping homeschool parents have information to use as they invest in their children.

Please register at [ppld.org](http://ppld.org) on the East Library Events Calendar.
