

The **Cheyenne's Creative Community (CCC) Art Project** will be on display for National Arts Month – **October 1-29, 2016**, at the **Cheyenne Mountain Library**. This call is open to all 2D and 3D forms of art created by residents (18 years and older) in the 80905 and 80906 zip codes. Please **submit up to 3 images by Friday, September 2nd** and remember that art that is exhibited in any PPLD library gallery must be suitable for all audiences.

LIMITATIONS

Three images per artist. This may be 3 images for 1 piece of artwork, or 3 different images for 3 different pieces. See HOW TO APPLY for image size.

No more than 18" inches overall (height, width, or length). Final measurements must be inclusive of frame, if applicable.

All work selected must be ready for exhibit. 2D work must have secure hanging devices; 3D work must be suitably prepared with instructions for installation. We use an art hanging system with metal rods; art is unable to be directly mounted on to the wall.

All entries must have been conceived and created by the artist submitting the work. The gallery reserves the right to reject work that differs from submitted images.
