

**TAKE AND MAKE:** Cupcake Liner Monsters

**Ages 5-12**

**Step 1.**

**Gather your supplies**

**Provided in your bag: construction paper, cupcake liner, googly eyes, and a craft stick**

**From home: you will need glue and scissors (optional: markers)**

**Step 2.**

**Start by flattening your cupcake liner and glue it onto the piece of construction paper to give it more weight. Cut out the cupcake liner.**

**Step 3.**

**Cut out a mouth, arms, legs, horns, and teeth (or whatever you want on your monster) from your construction paper and glue them onto your cupcake liner. Glue the googly eyes onto your puppet. Make it scary or silly!**

**Step 4.**

**Add some glue to the top of your craft stick and glue your cupcake liner onto it. Once it has dried completely, you can have fun putting on a puppet show with your monster puppet!**
