I believe that through learning music, students have the opportunity to enrich their lives through self-expression, building connections with others, and using their creativity while also learning valuable real-world skills such as critical thinking, public speaking, and persistence.

LEARN TO PLAY FLUTE IN A FUN GROUP ENVIRONMENT

- Build a sense of community while learning a new skill
- Space-themed classes build connections across subjects
- Learn to play solo and in ensembles
- Play fun music from a variety of genres: from Holsts's "The Planets" to Disney and jazz!
- Set goals and work hard to achieve them
- Fun and positive environment
- Safe place to take risks and make mistakes
- Perform in the Winter Flute Party & Spring Blast Off! Recital

I am so excited to offer this class and see what wonderful music we will make together. Registration is extremely limited so sign up today by visiting spencermusicstudio.com/registration

Classes will take place Wednesdays from 10:30-11:15 near the Briargate YMCA, August 2019-May 2020
