

PPLD Kids at Home Art Show

Take advantage of a fun opportunity to celebrate creativity and community!

The annual Homeschool Art Show, originally scheduled for April at East Library, is moving online. Even though all Libraries are temporarily closed due to the COVID-19 pandemic, we still wanted to celebrate this fun and imaginative event! We are excited to offer this art show as a digital display this year.

In the spirit of community, and since so many students are now learning from home, we are inviting all kids in grades K-12 across El Paso County to submit images of their works of art.

Any type of art – paintings, sketches, sculptures, photographs, fiber works, you name it – will be accepted. Go to this link to submit artwork: <https://ppld.librariesshare.com/ppldhomeartshow/>. The link to view the Art Show will be posted at a later date.
