

BIOGRAPHIES AND MEMOIRS

Colorado Women in World War II

by Gail Marjorie Beaton
Interweaves nearly eighty oral histories including interviews, historical studies, newspaper accounts, and organizational records to shed light on Colorado women's participation in World War II, exploring the dangers and triumphs they felt, the nature of their work, and the ways in which the war influenced their lives.

Agatha Christie: A Mysterious Life

by Laura Thompson
Laura Thompson offers a portrait of the iconic mystery writer that shares insights into her Edwardian youth, her marriages, her relationship with her daughter and her mysterious 11-day disappearance in 1926.

Educated: A Memoir

by Tara Westover
Traces the author's experiences as a child born to survivalists in the mountains of Idaho, describing her participation in her family's paranoid stockpiling activities and her resolve to educate herself well enough to get into a prestigious university and the unfamiliar world beyond.

The Richest Woman in America

by Janet Wallach
The best-selling author of Desert Queen traces the story of the turn-of-the-20th-century tycoon that offers insight into her abandonment by her mother, the Quaker values that marked her life, and the brash investment practices that caused her to be heralded and denounced by those who knew her.
